Public Service Announcement for Two of a Kind Artisan Market – April 12, 2025

Volunteers continue to be a force for good and a force for creativity in Waterloo Region. Volunteer Waterloo Region is pleased to announce a new community fundraising event.

Two of a Kind Artisan Market
Saturday, April 12, 2025
10am to 2pm
Kitchener City Hall, Rotunda
200 King Street W., Kitchener

Volunteer Waterloo Region Alumni, Staff and Board members have joined forces to present an artisan market for the community. If you have special gifts to purchase for this spring and summer, maybe a special birthday, anniversary or a wedding, this is the place. From woodwork to fused glass to gourmet condiments and designer bags, there will be something for everyone. This is the first Artisan Market of this style, building on the Two of a Kind Craft Sale that was hosted pre-Covid by the MS Society.

Funds from the proceeds of the event will be donated to Volunteer Waterloo Region and the MS Society of Canada. Please contact us for more information, share with your PSA department or join us to support local artisans while supporting local volunteering.
